## Who is Says Who?

Kasper Meldgaard and Nikolaj Duve founded Says Who in 2010 out of a shared passion for furniture design. Since then, Says Who has achieved remarkable success with its unique approach to design. Based in Denmark, the team of specialists reimagines furniture design to create innovative solutions for global customers.

We are furniture fanatics, industrial designers and creatives. Curious minds fueled by ideas and innovation with a desire to find new ways forward. We approach everything we do with a can-do attitude and a design-driven mindset to create new captivating ideas.

We create new Scandinavian designs for worldwide customers, use a solid business understanding to develop thought-through solutions, and design unique furniture collections.

“Who says great design can't be for everyone”?

## Hvem er Says Who?

*Kasper Meldgaard og Nikolaj Duve grunnla Says Who i 2010 med felles lidenskap for møbeldesign. Siden oppstart har de fått mye heder og ære for sin unike tilnærming til ulike design. Med base i Danmark kommer de med innovative løsninger for et globalt marked.*

*Vi er møbelfanatikere, industrielle designere og kreatører. Nysjerrige, fylt med ideer og innovasjon, med et mål om alltid å finne nye løsninger.*

*Vår offensive tilnærming har alltid designet i fokus kombinert med praktiske løsninger. Dette gir skandinaviske løsninger for et globalt marked, forankret i felles forståelse med kunden og gjennomtenkte løsninger.*

« Hvem sier at flott design ikke kan være for alle « ? »

## Japandi

Japandi - is filled with architectural forms extracted from natural oak veneer. Perfectly rounded corners and legs with an exclusive design. It's like a classic combined with the trends of our time. With its grandeur and exclusivity, it fascinates and attracts attention.

*Japandi - er fylt med arkitektoniske linjer gjennom naturlige eikefiner materialer. Nydelig avrundede linjer med et innovativt design. Japandi kombinerer både et klassisk og trendmessig uttrykk. Med sin eksklusive eleganse vekker denne serien mye positiv oppmerksomhet.*
